Summer 2018

## "47" Is Not Just A Number!

"47" is not just a number to us. "47" is important and precious to every one of us here, because we each have so many memories of our love and friendships with our classmates, peers, and teachers.

Since 1916, "47" Alumni Association has remained strong and alive, thanks to the spirit of our alumni members. We aim to protect and support our school (teachers, staff, administrators, and parents) so that future generations can have the same cherished memories as 110 years of students have had.

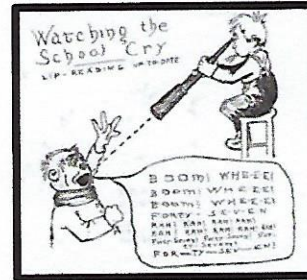

"47" is not just a number. It is a cherished memory for us. "47" Home Now and Forever!
